For All Things Real Estate

Third Edition

APRIL 2017

Volume 18

Dog lovers often go to great lengths to make their pets comfortable and feel almost human. With two furry friends at home, Realtor Janice Busovne is no different. Janice has announced that, in addition to her human clients, she will now also represent canine clients in the buying and selling of dog houses. This brand-new service will include complete canine MLS listings. She is the first in the area to offer this new service just for dogs. The canines had been hounding her for years regarding real estate representation. Janice figures it's the leashed she could do. Most likely it will be a mastiff waste of time but it was a good April Fool's joke.
