Second Edition

November 2016

Volume 13

The month of November is a time of appreciation, time to applaud those who served in the military, and a time of self-reflection. Maybe that's why Veteran's Day and Thanksgiving come closer to the end of the year rather than at the beginning giving us all an opportunity to show our gratitude. As a Realtor, I want to say thank you to all of my wonderful clients who are also my friends. I assure you that I will continue to be the kind of Realtor you have come to know and will continue to provide services above and beyond your expectations.

DID YOU KNOW?

Black Friday is the busiest day of the year for plumbers.
