Hurricanes to Holidays! This is one year that most of us are extremely thankful that one season is nearly over and a happier time is upon us. Thankfulness is especially important in an age of divisiveness and chaos. Thanksgiving reminds us that there are many blessings and truly wonderful people that make up the world around us. As a Realtor, I am particularly thankful for the clients I serve, whether it is to sell a house or to help turn a house into a home. Happy Thanksgiving to all!
