I AM THANKFUL FOR YOU!

2020 will long be remembered as a year of chaos and uncertainty. From hurricanes in the south to fires in the west, and a pandemic throughout the world, our daily news is filled with glaring headlines. But a month of pumpkins lead to November when the focus shifts to thankfulness. I believe that there is always a silver lining and I take note and am thankful for the people who make life worth living. Being a Realtor is so rewarding as I get to meet incredible people, understand their needs and desires in real estate and then go to work to meet and exceed their expectations. I am so thankful for that. And best of all, it is my family and friends who add the spice to my life and add the smile and love in my heart. Happy Thanksgiving.

A Thanksgiving To Remember!

This year we have been blessed with the announcement of our second grandchild! Nathan & Haley will become proud parents in 2021! I wish you all a Happy & Safe Thanksgiving!
